

STAGG TABLE	STAG-T
TEARSHEET	STUDIO LUDDITE

(TOP)

(FRONT)

(SIDE)

The Stagg explores the simplicity of stacked and intersecting forms, expressed through two solid wood cylinders that form its base. A brass frame is handwoven with string to create a drum-like shade with rounded edges. When viewing the Stagg from the front, the fixture appears symmetric; its asymmetric form is highlighted when viewing the fixture from its side.
